On February 1st, the brothers of Alpha Pi Lambda will be hosting an American Red Cross Blood Drive at the Apple Pi house, which is located at 216 N. 33rd St (intersection of 33rd St. & Powelton Ave.). The event will take place between 12pm-6pm. With all that is going on around the world, it is important that we do everything we can to help save lives. The people in Haiti are going through devastating times and taking 15 minutes of your own time can help a great deal. We ask that you please make an appointment and sign up at <http://www.redcrossblood.org/>, and the sponsor code is 5617. 1 pint of blood can save 3 lives! We hope to see you there.
